Available Now: FIBERrific™ +enzymes

Finally, a complete digestive solution that will help break down your food so you can properly absorb their nutrients, while eliminating the bad bacteria from your body. Pure-le Natural FIBERrific™ +enzymes supplement contains both a potent prebiotic and enzymes in a natural fibre base (instant Inulin). Do not forget that it is easy to use and easy to take.

Each teaspoon contains 4.5g natural fibre as well as over 3700 vegan, shelf stable enzyme units. FIBERrific™ +enzymes can help improve digestion and absorption of vitamins, minerals, antioxidants and other vital nutrients.

Pure-le Natural FIBERrific™ +enzymes is 100% natural, vegan, Kosher and shelf stable. It is the enzyme/fibre supplement that you can mix with almost anything. Put it into your food or drinks to create fibre-rich, enzyme superfoods. Odourless, taste-free, grit-free and will never thicken. FIBERrific™ +enzymes will not change the taste of your favourite foods or drinks.

Use Pure-le Natural FIBERrific™ +enzymes to promote good health. The ingredients in FIBERrific™ +enzymes have been shown to lower the risk of heart disease and stroke, prevent some forms of cancer, prevent and relieve constipation, indigestion, gas, diarrhea, bloating and stomach pains. To help support this product, we have developed a breathtaking marketing campaign, along with samples, rack cards and product information. FIBERrific™ +enzymes is available now nationwide at better health retailers.
